www.clubbedthumb.org

With a giant pig running hog-wild at its center, Civilization (All You Can Eat) is easily the most rambunctious of the three premieres in Clubbed Thumb's Summerworks series this year But that's not the only reason I found it to be one of the sharper and more incisive new plays I've seen this season

Reducing Non-target Species Interference While Trapping ...

2 Reducing Non-target Species Interference While Trapping Wild Pigs Non-target species can directly and indirectly impact efforts and increase the overall cost of trapping wild pigs (Hartin 2006) This group of animals can prematurely trigger traps, thereby eliminating the possibility of capturing wild pigs and wasting valuable time
